Our Dedicated Team

Learning & Improving

Ahead of our opening, we were thrilled to welcome more members to our team as they embarked on their induction training and team bonding activities. Our team at Darcy House is integral to everything we do, and we are delighted to have such kind, compassionate, caring and dedicated individuals. They are instrumental in making Darcy House the home of choice for Matlock and the surrounding areas.

Cheese & Wine Evening

Welcome Visitors

In May, we hosted our first Cheese & Wine Evening for the local community. We were delighted to see so many people join us. Carinna, Amelia, and Claire thoroughly enjoyed meeting everyone who attended.

A Warm Welcome

Celebration Time

On Sunday, the 14th of July, we welcomed our very first resident to Darcy House. We celebrated with a huge fuss, an incredible cake, and a traditional Sunday lunch.

Welcome Lunch

Delicious

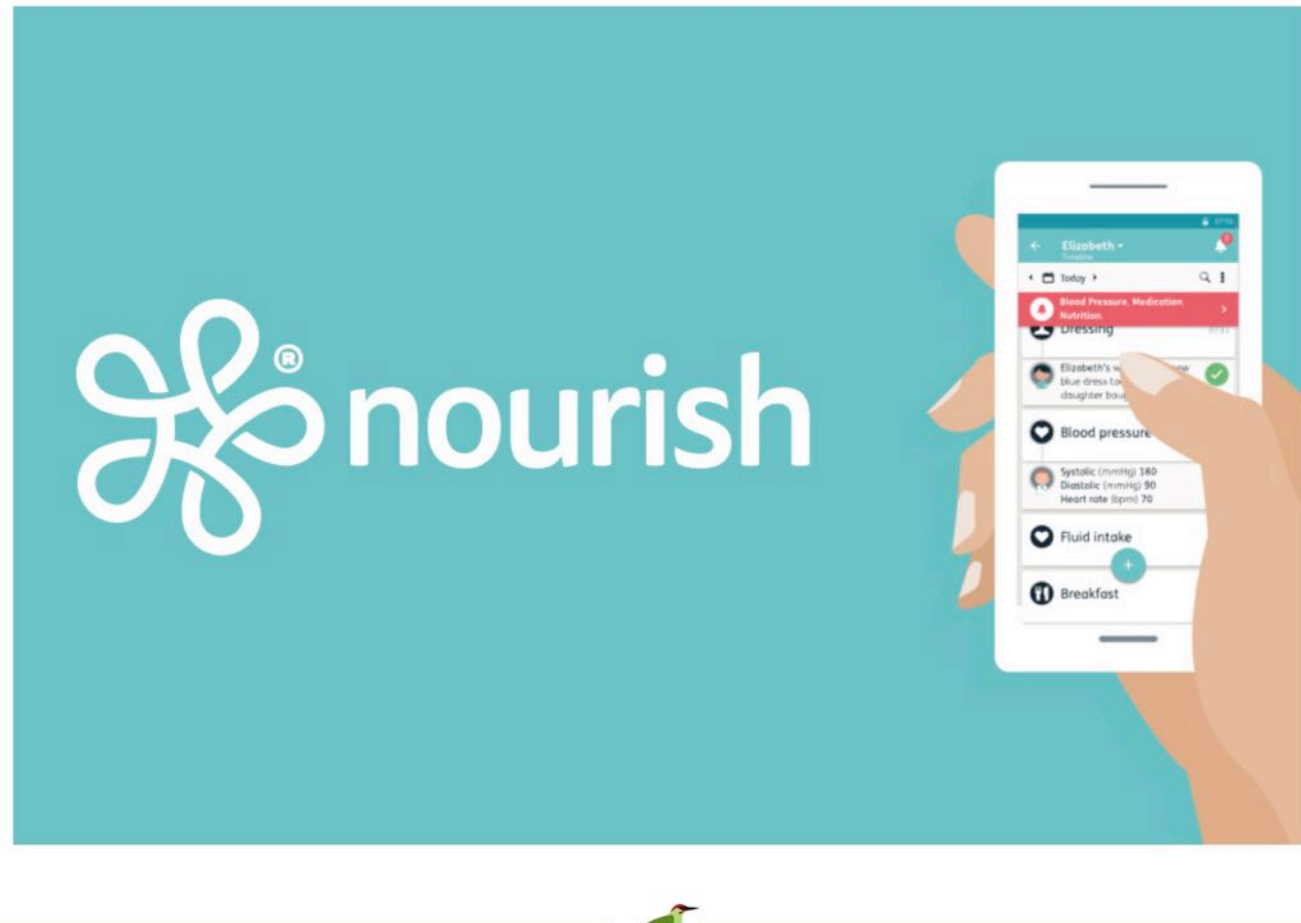

We recently hosted a 'Welcome Lunch' where all of our new residents dined together with our staff to get to know one another. The event even featured some close-up magic from our talented Simon!

Nourish

Always Improving

The care and well-being of our residents will always be our primary focus. We are excited to share that we will be using Nourish as our digital care management system. Individual care plans will be in place for every resident, and using this digital system, our care team will be able to access and update a resident's plan with accuracy and ease, all at the simple touch of a button. This means no more time-consuming paperwork, allowing our care team to spend more quality time supporting and creating memories with our residents.
