Easter Chicks

Amazing Experience

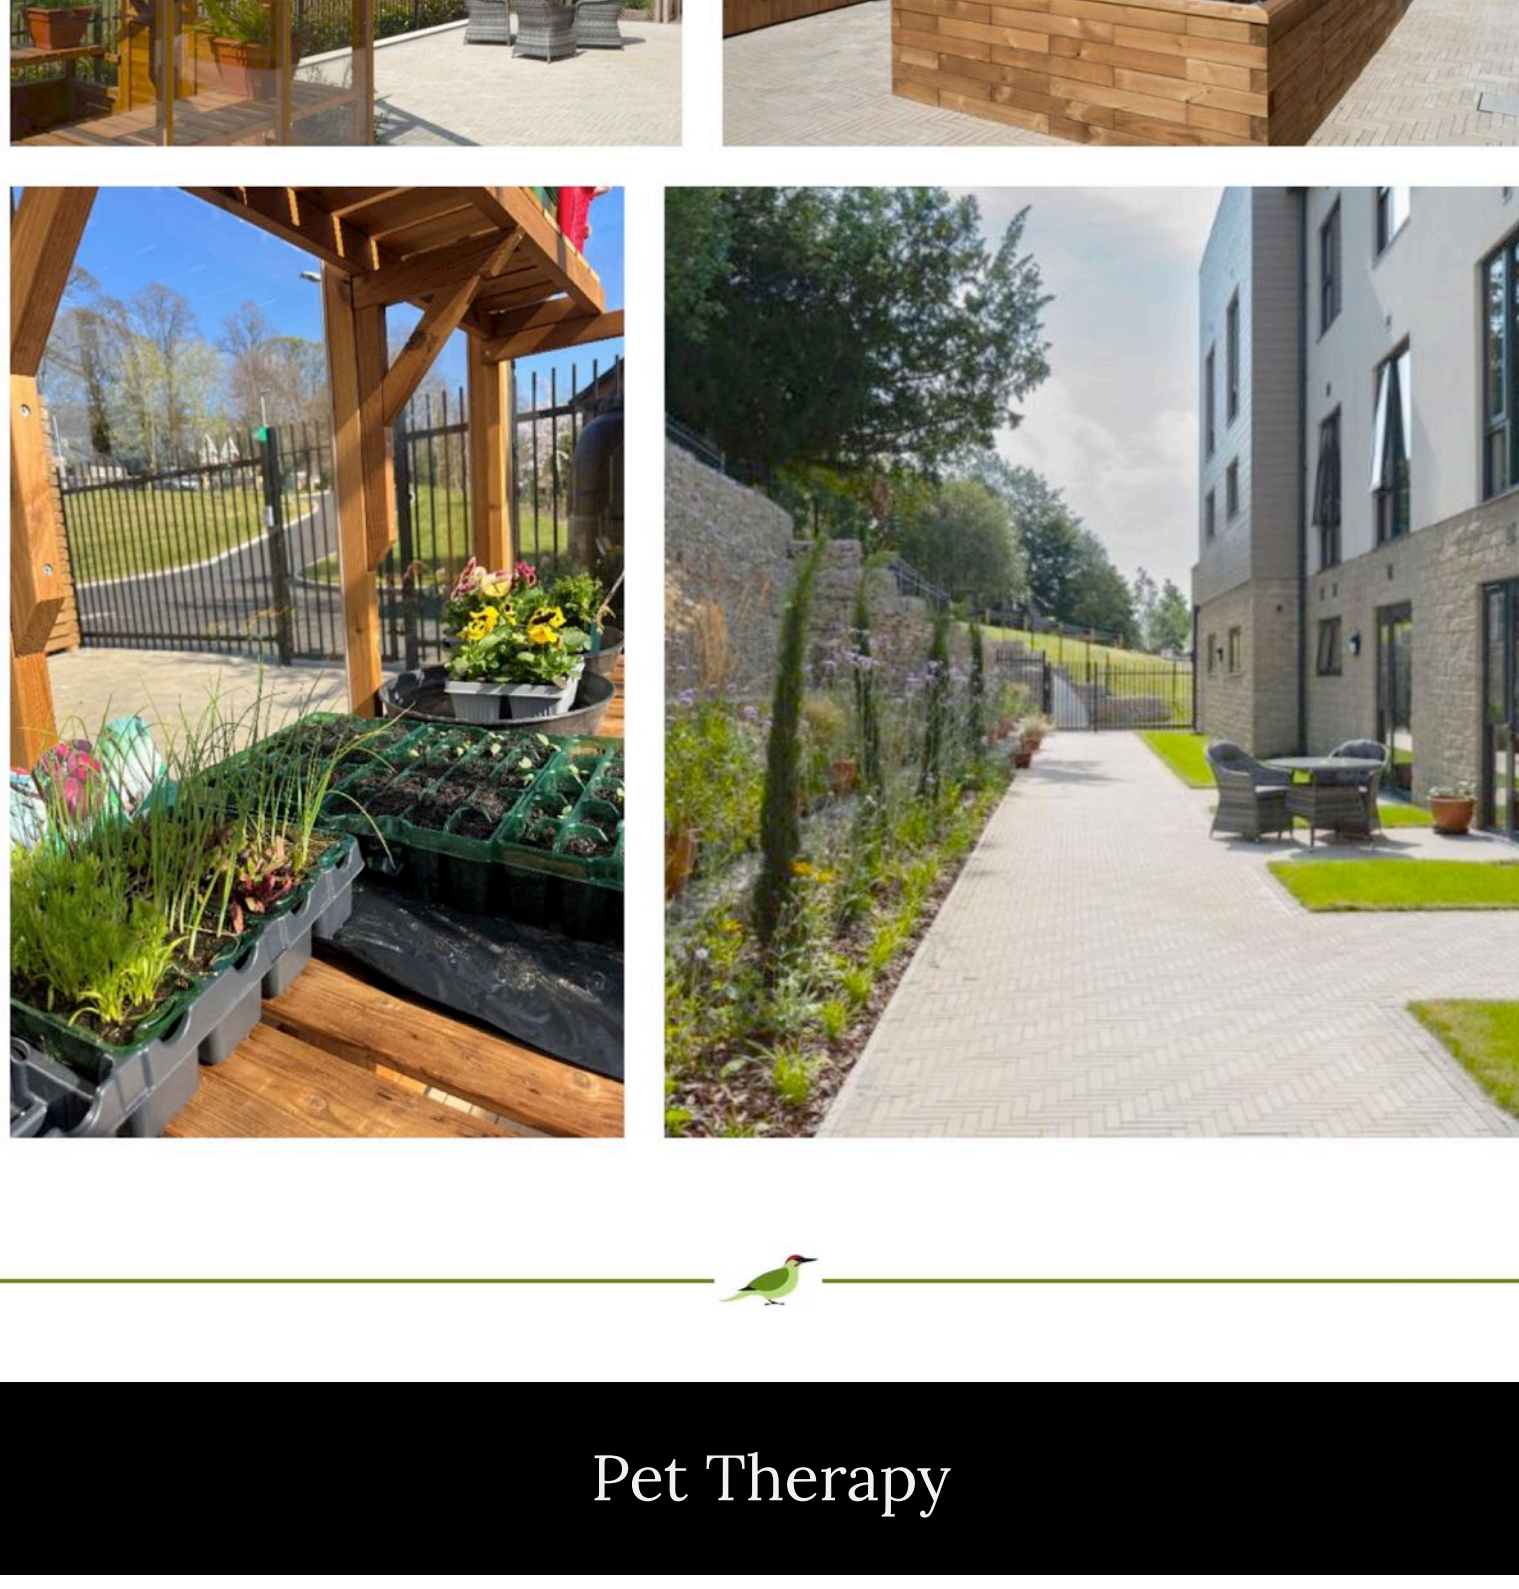

We added to the Darcy House family in the lead-up to Easter. We successfully hatched 11 Silkie chicken eggs, moving them from the incubator to the pen. The Silkie chicks were adorable, and we loved watching and waiting for them to hatch. We kept the Silkie chickens for about two weeks after they hatched before giving them back to the staff member's family farm.

Gardening

Green Fingers

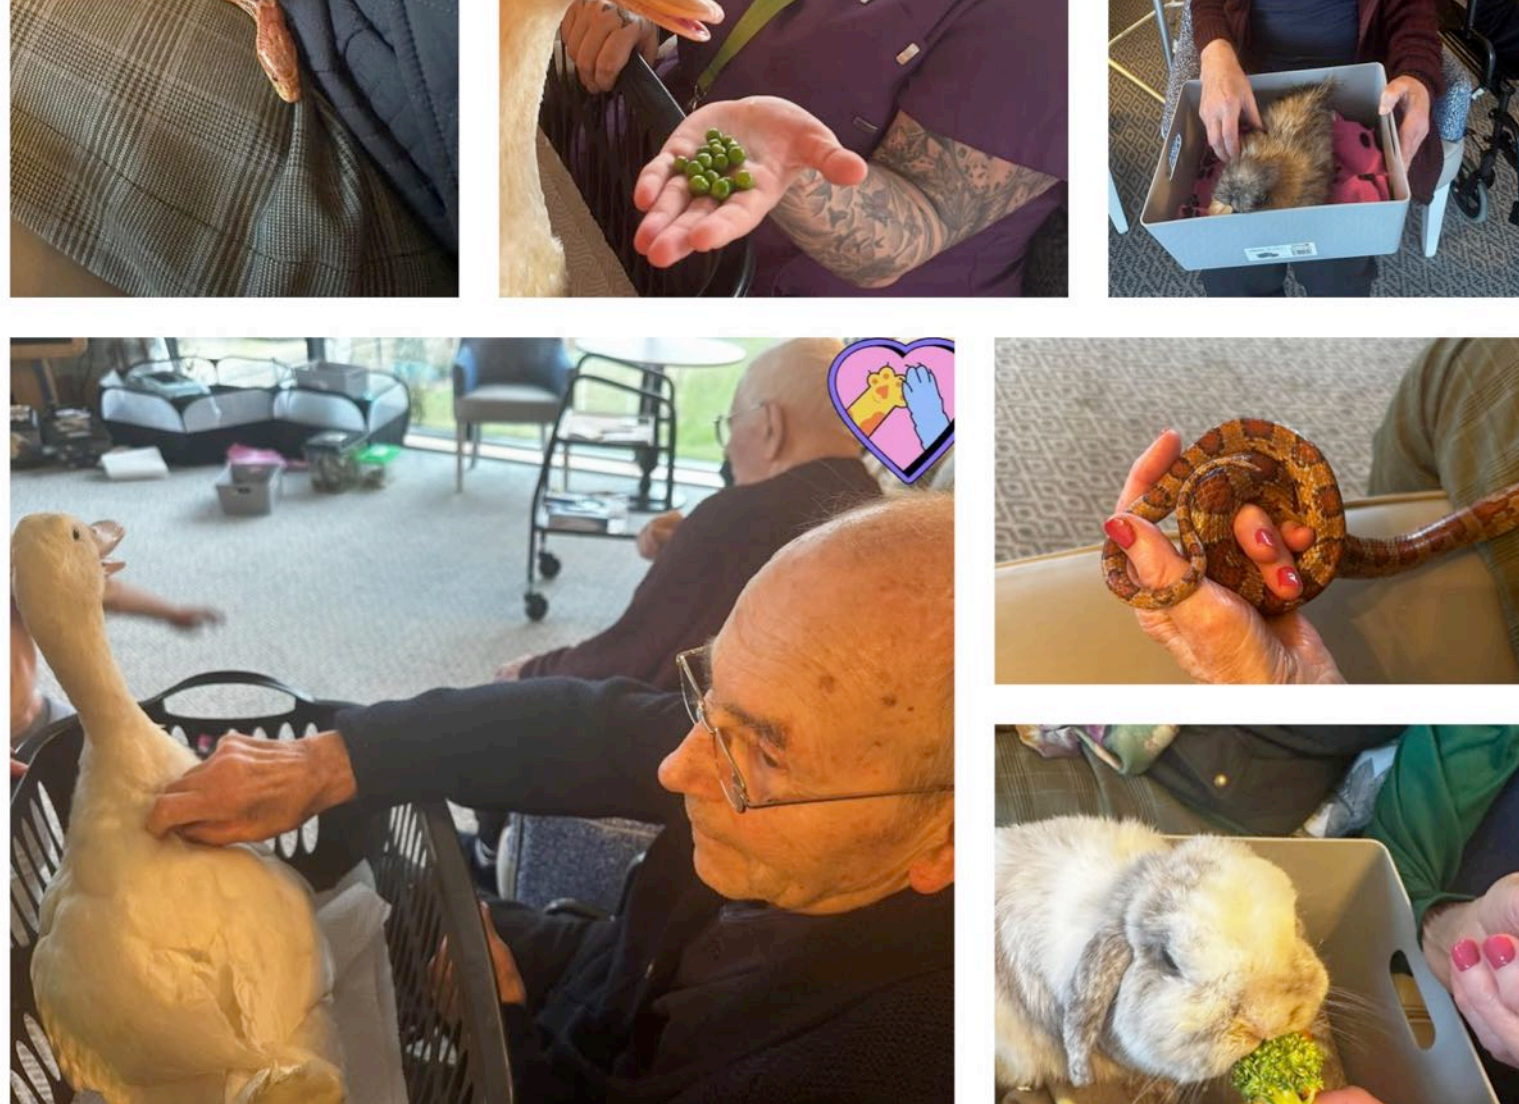

As the seasons change, we are busy making our already beautiful home even more inviting and have started enjoying the sunshine. Our residents have taken the initiative to get into the greenhouse to plant seeds for spring and summer. Each plant selection is a testament to their creativity and care, and it's heartwarming to see our communal spaces preparing to come alive with colour. We look forward to watching these flowers flourish, bringing an extra touch of nature's beauty to our home.

Pet Therapy

Meaningful Activities

We had a delightful time meeting these wonderful creatures during their recent visit! The joy on everyone's faces was truly heartwarming. It sparked wonderful conversations and a flood of fond memories as many of us reminisced about our own beloved pets. From stories about the mischievous antics of our furry friends to the profound bonds we shared with them, it was a beautiful reminder of the love and companionship that pets bring into our lives.

Community Hair Salon Days

Relax & Rejuvenate

If you find it difficult to access a salon due to stairs or narrow pavements, come and join us at Darcy House, where our fully accessible salon is open to the public on the dates listed below.

Our hairdresser, Danielle, is looking forward to welcoming you with refreshments, and all the proceeds from your visit go to our nominated charity, Make-A-Wish UK. Not only will you look and feel fabulous, but you'll also be doing wonderful things for a very worthy cause. Book in now!
